

OUR IMPACT

We empower youth to take actions that positively impact themselves and others; building character, confidence, and connection.

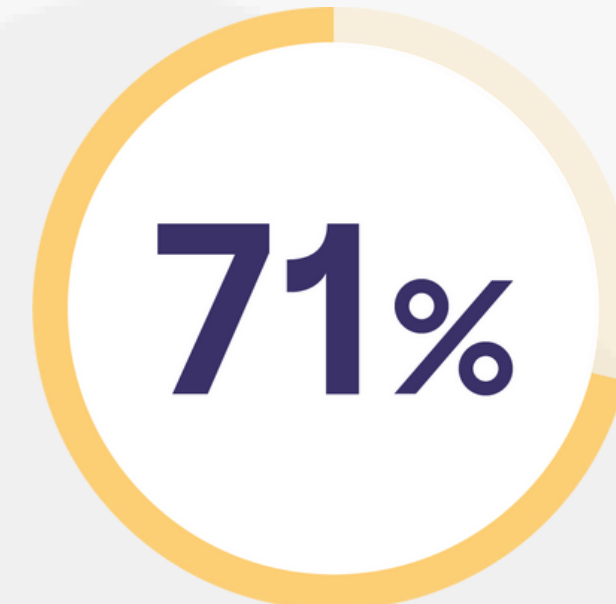

STUDENTS REPORT...

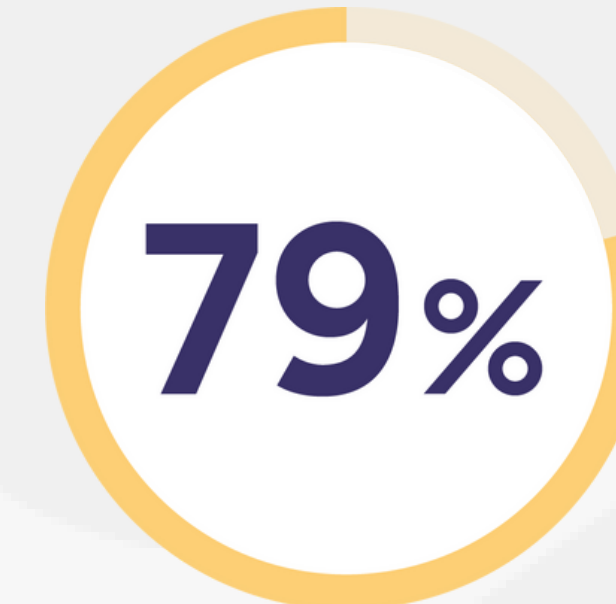

will be kinder to others

will be a force of good in their schools + communities

are more willing to stand up for what's right

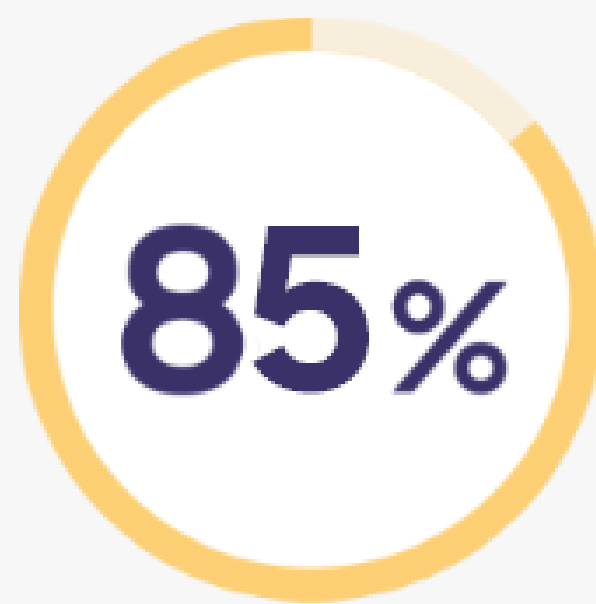

feel able to make a positive impact on their world

84% felt more connected with family, **78%** with community, **77%** with friends

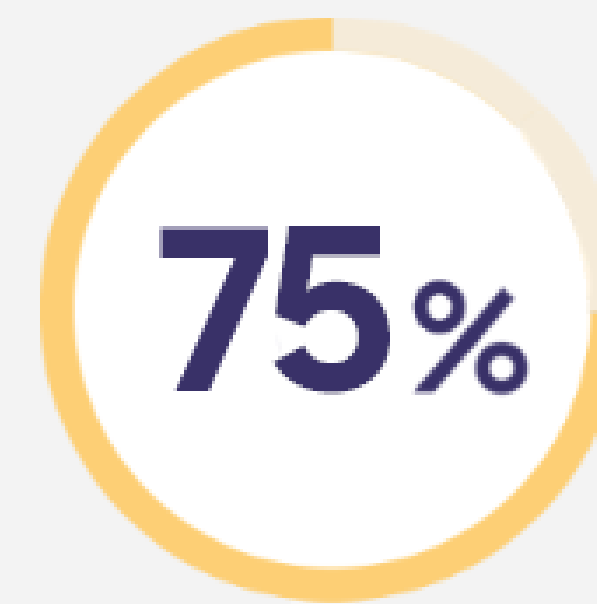

EDUCATORS REPORT...

students feel more empowered that they can be agents of change

students seem more inclusive

students seem kinder to each other

EXPANDING ACCESS TO SOCIAL AND EMOTIONAL LEARNING (SEL)

75% of ThinkGive partner schools and organizations serve under-resourced youth, who are often excluded from accessing high-quality SEL programming. See if your school or organization qualifies for our Every Child Scholarship: thinkgiveproject.org/scholarships

“ThinkGive has and will help me be a more considerate, thoughtful, and compassionate person. Knowing the positive effects I can have on a person is truly amazing.”
- 7th grade student

“ThinkGive is a revolutionary SEL program that empowers students to immaterially gift kindness. It strengthens their connections to each other and to their communities.”
- Dana Meyer, educator, Carlisle Public School
